

MEMORANDUM

TO: Commissioners Hardy, Hadley, Landis, Server and Ziegner
FROM: Jerry L. Webb, Director of Gas/Water/Sewer Division
DATE: May 4, 2006
RE: Utility Articles for Next Conference

The following Final Article A is submitted to each of you to acquaint you with the tariff eligible for action or acceptance on or after May 11, 2006.

“A” Final

The following new miscellaneous item will be eligible for final consideration at the next Commission Conference and based upon a review of it by staff members of the Commission, I recommend approval.

1. Corydon Municipal Water Utility

The utility is proposing to increase the connection (tap-on) charge for a 5/8 inch meter from \$370.00 to \$800.00. The reason for this increase is due to increases in labor and material costs. The tap-on charge for a meter larger than 5/8” shall be the actual cost of materials and installing the tap, but shall not be less than the charge of a 5/8” meter tap. Cost support has been provided.

Description	Current Charge	Proposed Charge
Connection Charge 5/8” meter	\$370.00	\$800.00
Connection Charge larger than 5/8”	Cost not less than \$370.00	Cost not less than \$800.00

The tariff page affected by this filing is page 2 of 2.

Please indicate your consideration and action of all the preceding items on the appropriate lines provided below.

Jerry L. Webb
Director of Gas/Water/Sewer Division
